## **EDUCATION AND EMPLOYMENT**

Associate Professor, Department of Interdisciplinary Studies, Lakehead University, 2018 to present.

Adjunct Professor, Department of Psychology, Lakehead University, 2021 to present.

Research Fellow, One Earth Future Foundation, 2013 to 2017.

Postdoctoral Fellow, Department of Mathematics and Statistics, Queen's University, 2011 to 2013.

Postdoctoral Fellow, Department of Psychology, Neuroscience & Behaviour, McMaster University, 2009 to 2011.

Social Sciences and Humanities Research Council of Canada Postdoctoral Fellow, Department of Psychology, University of Lethbridge, 2007 to 2009.

PhD in Psychology, Neuroscience & Behaviour, McMaster University, 2007.

MA in Psychology, University of Saskatchewan, 2004.

BA (Hons.) in Psychology, Queen's University, 2001.

## **RESEARCH FUNDING**

Insight Grant (Krupp & Mishra), Social Sciences and Humanities Research Council of Canada, 2021 to 2024: \$94,408.

Partnership Development Grant (Saulnier, Krupp, Kristman, Bagg, & Sytsma), Social Sciences and Humanities Research Council of Canada, 2020 to 2023: \$132,190.

Partnership Engage Grant (Krupp, Perry, & Macfarlan), Social Sciences and Humanities Research Council of Canada, 2019 to 2020: \$24,858.

Higher Education Quality Council of Ontario (Kim, Krupp, Barclay, & Taylor), 2011 to 2013: \$57,650.

Standard Research Grant (Krupp, Lalumière, & Taylor), Social Sciences and Humanities Research Council of Canada, 2009 to 2012: \$70,100.

## **HONOURS AND AWARDS**

Student Whisperer Award (for dedication to students), Lakehead University, 2022.

Merit Award in the Category of Teaching, Lakehead University, 2021: \$2,000.

Postdoctoral Fellowship, Social Sciences and Humanities Research Council of Canada, 2007 to 2009: \$81,000.

New Investigator Award, Human Behavior and Evolution Society, 2005: \$500.

Graduate Speaker Award, McMaster University Psychology, Neuroscience & Behaviour In-House Conference, 2005.

Doctoral Fellowship, Social Sciences and Humanities Research Council of Canada, 2004 to 2007: \$60,000.

Senator Frank Carrel Upper Year Scholarship, Queen's University, 2001: \$1,000.

Dean's Honour List, Queen's University, 2001.

## **PRESENTATIONS**

Krupp, D. B. (2023, October). *Rethinking relative deprivation*. Colloquium, Methods and Metascience Seminar, University of Glasgow, Scotland, UK.

Krupp, D. B. (2021, December). *An evolutionary perspective on psychopathy*. Invited lecture, Alberta Hospital Edmonton Forensic Grand Rounds, Edmonton, Alberta, Canada.

Krupp, D. B. (2021, April). *Rethinking relative deprivation*. Colloquium, Department of Psychology, Lakehead University, Thunder Bay, Ontario, Canada.

Saulnier, A., & Krupp, D. B. (2020, November). *The effects of body-worn cameras on criminal court outcomes*. Accepted for the 2020 meeting of the American Society of Criminology, Washington, DC, USA. [Cancelled due to COVID-19 pandemic.]

Krupp, D. B., & Saulnier, A. (2020, March). *The effects of body-worn cameras on traffic ticket outcomes*. Presented at the 2020 meeting of the American Psychology-Law Society, New Orleans, Louisiana, USA.

Krupp, D. B. (2019, October). *Inequality, competition, and conflict*. Colloquium, Department of Psychology, Nipissing University, North Bay, Ontario, Canada.

Krupp, D. B. (2018, March). *Is psychopathy a mental disorder, or is it a strategy?* Invited lecture, School of Social Work and Department of Interdisciplinary Studies, Lakehead University, Orillia Campus, Ontario, Canada.

Krupp, D. B., & Cook, T. R. (2016, July). *Local competition amplifies the corrosive effects of inequality*. Presented at the 2016 meeting of the Human Behavior and Evolution Society, Vancouver, British Columbia, Canada.

Krupp, D. B., & Cook, T. R. (2016, April). *Cooperation, inequality, and the scale of competition*. Presented at the Governance and Conflict Research Series, Department of Political Science, University of Colorado, Boulder, Colorado, USA.

Krupp, D. B. (2015, September). *Dr. Hamilton's neighbourhood: The (Broader) Effects of Kinship on Social Evolution*. Colloquium, Department of Psychology, Neuroscience & Behaviour at McMaster University, Hamilton, Ontario, Canada.

Krupp, D. B. (2015, September). *Dr. Hamilton's neighbourhood: The (Broader) Effects of Kinship on Social Evolution*. Presented at Queen's University, Kingston, Ontario, Canada.

Krupp, D. B. (2015, May). *A solution to the "paradox" of inequality and conflict*. Presented at the 2015 meeting of the Human Behavior and Evolution Society, Columbia, Missouri, USA.

Krupp, D. B. (2015, May). *Inequality and homicide*. Presented at the Governance and Conflict Research Series, Department of Political Science, University of Colorado, Boulder, Colorado, USA.

Krupp, D. B., & Taylor, P. D. (2014, July). *Social evolution in the shadow of asymmetrical relatedness*. Presented at the 2014 meeting of the Human Behavior and Evolution Society, Natal, Rio Grande do Norte, Brazil.

Krupp, D. B. (2014, January). *Kinship, competition, and the evolution of human cooperation*. Presented at the Governance and Conflict Research Series, Department of Political Science, University of Colorado, Boulder, Colorado, USA.

Krupp, D. B., & Taylor, P. D. (2013, July). *An expanded concept of kin recognition by phenotype matching*. Presented at the 2013 meeting of the Human Behavior and Evolution Society, Miami, Florida, USA.

Krupp, D. B. (2013, March). *New problems of kin recognition*. Presented at the Mathematical Biology Seminar at the University of British Columbia, Vancouver, British Columbia, Canada.

Krupp, D. B. (2013, March). *Cooperation and competition in the classroom*. Presented at the Mathematics Education Seminar at the University of British Columbia, Vancouver, British Columbia, Canada.

Krupp, D. B. (2012, December). *The functional design of human kin recognition systems*. Presented at the Department of Social and Organizational Psychology Seminar at VU University Amsterdam, Amsterdam, The Netherlands.

Krupp, D. B. (2012, December). *Life history evolution and reproductive/marital behaviors*. Invited lecture to the 15th Congress of the European Society for Sexual Medicine, Amsterdam, The Netherlands.

Krupp, D. B., & Taylor, P. D. (2012, November). *New problems of kin recognition*. Presented at the Department of Mathematics and Statistics Colloquium at Queen's University, Kingston, Ontario, Canada.

Krupp, D. B. (2012, October). *Of blood and water: The relevance of kin recognition systems to cooperative psychology*. Invited lecture, Neuroscience and Applied Cognitive Science Seminar, University of Guelph, Guelph, Ontario, Canada.

Krupp, D. B. (2012, September). *Marital, reproductive, and educational behaviours covary with life expectancy*. Presented at the 2012 meeting of the Canadian Sex Research Forum, Ottawa, Ontario, Canada.

Krupp, D. B., Sewall, L. A., Lalumière, M. L., Sheriff, C., & Harris, G. T. (2012, June). *Kin discrimination and the dispersal of violent psychopaths*. Presented at the 2012 meeting of the Human Behavior and Evolution Society, Albuquerque, New Mexico, USA.

Krupp, D. B. (2012, June). *Asymmetries of relatedness*. Presented at the 2012 meeting of the Animal Behavior Society, Albuquerque, New Mexico, USA.

Krupp, D. B. (2012, May). *Enhanced kin recognition through population estimation*. Presented at the 2012 meeting of the Ontario Ecology, Ethology & Evolution Colloquium, Hamilton, Ontario, Canada.

Krupp, D. B. (2012, May). *Kin recognition in three easy pieces*. Presented at the Queen's University Mathematical Biology Seminar, Kingston, Ontario, Canada.

Krupp, D. B. (2012, February). *The ontogeny and function of kin recognition*. Presented at the Queen's University Developmental Psychology Seminar, Kingston, Ontario, Canada.

Krupp, D. B. (2012, February). *New adventures in kin recognition*. Presented at the Queen's University Social and Personality Psychology Seminar, Kingston, Ontario, Canada.

Krupp, D. B. (2011, September). *A very extended family: kin recognition and human affairs*. Invited lecture, Discover Psychology Public Lecture Series, McMaster University, Hamilton, Ontario, Canada.

Krupp, D. B., DeBruine, L. M., Jones, B. C., & Lalumière, M. L. (2011, June). *Opposing effects of self- and antiself-resemblance suggests the perception of both positive and negative relatedness*. Presented at the 2011 meeting of the Human Behavior and Evolution Society, Montpellier, France.

Krupp, D. B. (2010, June). *Prospective decision-making is associated with life expectancy*. Presented at the 2010 meeting of the Human Behavior and Evolution Society, Eugene, Oregon, USA.

Pottruff, M. M., Abuzeidan, R., Krupp, D. B., & Shedden, J. M. (2010, June). *Social incentives affect joint-attention performance*. Presented at the 2010 meeting of the Canadian Society for Brain, Behaviour and Cognitive Science, Halifax, Nova Scotia, Canada.

Krupp, D. B. (2009, September). *Spite and the evolution of ethnocentrism*. Presented at the Evolution, Ecology & Behaviour seminar, McMaster University, Hamilton, Canada.

Krupp, D. B. (2009, July). *Spite and the evolution of ethnocentrism*. Presented at the Queen's University Mathematical Biology Seminar, Kingston, Ontario, Canada.

Krupp, D. B. (2009, May). *Spite and the evolution of ethnocentrism*. Presented at the 2009 meeting of the Human Behavior and Evolution Society, Fullerton, California, USA.

Krupp, D. B., DeBruine, L. M., & Jones, B. C. (2007, May). *The apparent health of social partners biases the reciprocation of trust*. Presented at the 2007 meeting of the Human Behavior and Evolution Society, Williamsburg, Virginia, USA.

Smith, F. G., DeBruine, L. M., Jones, B. C., Krupp, D. B., Conway, C. A., & Welling, L. L. M. (2007, May). *Own attractiveness affects strategies in an economic game*. Presented at the 2007 meeting of the Human Behavior and Evolution Society, Williamsburg, Virginia, USA.

Smith, F. G., DeBruine, L. M., Jones, B. C., Krupp, D. B., Conway, C. A., & Welling, L. L. M. (2007, March). *Own attractiveness affects strategies in an economic game*. Presented at the European Human Behaviour and Evolution Conference, London School of Economics, London, UK.

Smith, F. G., DeBruine, L. M., Jones, B. C., Krupp, D. B., Conway, C. A., & Welling, L. L. M. (2006, November). *Own attractiveness affects strategies in an economic game*. Presented at the British Psychological Society Scottish Branch Conference in Perth, UK.

Camilleri, J. A., & Krupp, D. B. (2006, June). *Lonely hearts go online: A field experiment on sexual advertisements*. Poster presented at the 2006 meeting of the Human Behavior and Evolution Society, Philadelphia, Pennsylvania, USA.

Suschinsky, K. D., Krupp, D. B., & Elias, L. J. (2006, June). *Looking for Ms. Right: Allocating attention to facilitate mate choice decisions*. Poster presented at the 2006 meeting of the Human Behavior and Evolution Society, Philadelphia, Pennsylvania, USA.

Suschinsky, K. D., Krupp, D. B., & Elias, L. J. (2006, June). *Looking for Ms. Right: Allocating attention to facilitate mate choice decisions*. Presented at the 2006 meeting of the Canadian Society for Brain, Behaviour and Cognitive Science, Saskatoon, Saskatchewan, Canada.

Suschinsky, K. D., Elias, L. J., & Krupp, D. B. (2005, August). *Looking for Ms. Right: Visual exploration and judgments of female physical attractiveness*. Invited lecture, third International Behavioral Development Symposium, Minot, North Dakota, USA.

Krupp, D., DeBruine, L., & Barclay, P. (2005, June). *A cue of kinship enhances cooperation*. Presented at the 2005 McMaster Psychology, Neuroscience & Behaviour In-house Conference, Hamilton, Ontario, Canada. **Awarded the Graduate Speaker Award.**

Krupp, D. B., DeBruine, L. M., & Barclay, P. (2005, June). *A cue of kinship affects cooperation in a tragedy of the commons*. Presented at the 2005 meeting of the Human Behavior and Evolution Society, Austin, Texas, USA. **Awarded the New Investigator Award.**

Krupp, D. B., DeBruine, L. M., & Barclay, P. (2005, May). *A cue of kinship affects human cooperation*. Presented at the 2005 Ontario Ecology and Ethology Colloquium, Ottawa, Ontario, Canada.

Krupp, D. B., DeBruine, L. M., & Barclay, P. (2005, April). *Facial resemblance affects group cooperation in a "tragedy of the commons"*. Presented at the 6th Darwinian Day Conference, Kingston, Ontario, Canada.

Daly, M., Barclay, P., Clark, A., DeBruine, L., Krupp, D., & Wilson, M. (2004, October). *Cooperation and conflict: Then and now*. Presented at the Carleton Conference on Evolutionary Psychology, Ottawa, Canada.

Krupp, D. B., Elias, L. J., & Robinson, B. M. (2004, June). *Free viewing perceptual asymmetry for distance judgments: Objects in right hemispace are closer than they appear*. Presented at the 15th annual Theoretical and Experimental Neuropsychology Conference (TENNET XV), Montreal, QC.

Krupp, D. B. (2003, September). *A Darwinian interpretation of individual differences in the ultimatum game*. Presented at the 5th Darwinian Day Conference, Centre for Addiction and Mental Health, Toronto, ON.

## **TEACHING EXPERIENCE**

### **LAKEHEAD UNIVERSITY**

Instructor, Criminological Theory (CRIM 2015), January 2019 to April 2019, September 2019 to December 2019, January 2020 to April 2020, September 2020 to December 2020, January 2021 to April 2021, September 2021 to December 2021, January 2022 to April 2022, September 2022 to December 2022, and January 2023 to April 2023.

Instructor, Evolution and Violence (CRIM 3011), September 2020 to December 2020, September 2021 to December 2021, and September 2022 to December 2022.

Instructor, Special Topics (CRIM 4090), September 2018 to December 2018 and January 2020 to April 2020.

Instructor, Honours Research Project (CRIM 4801), September 2018 to April 2019, September 2019 to April 2020, September 2020 to April 2021, September 2021 to April 2022, and September 2022 to April 2023.

### **MCMASTER UNIVERSITY**

Instructor, Evolution and Human Behaviour (Psychology 3FO3), May 2004 to June 2004, May 2005 to June 2005, May 2006 to June 2006, September 2009 to December 2009, May 2017 to June 2017, January 2018 to April 2018, and May 2018 to June 2018.

Instructor, Animal Learning and Behaviour (Psychology 2TT3), May 2006 to June 2006.

Honours thesis supervisor to Anne Barbeau, September 2010 to April 2011.

Research supervisor to Jennifer Kotler, January 2010 to April 2010, and Tegan Bodnar, September 2010 to April 2011.

Teaching Assistant, General Experimental Psychology Laboratory (Psychology 3LL3), January 2006 to April 2006.

Teaching Assistant, Inquiry in Psychology (Psychology 4JO3), September 2005 to December 2005.

Teaching Assistant, Animal Learning and Behaviour (Psychology 2TT3), January 2005 to April 2005.

Teaching Assistant, Evolution and Human Behaviour (Psychology 3FO3), September 2003 to December 2003, September 2004 to December 2004, and January 2007 to April 2007.

Teaching Assistant, Introductory Psychology (Psychology 1AO3E), January 2004 to April 2004.

#### QUEEN'S UNIVERSITY

Honours Thesis co-supervisor to Carly Parsons, September 2012 to April 2013.

#### UNIVERSITY OF LETHBRIDGE

Instructor, Behaviour and Evolution Graduate Seminar: Current Topics in Evolutionary Psychology (Psychology 5850/7850), September 2008 to April 2009.

Instructor, Honours Seminar on Cooperation and Conflict (Psychology 4000B), January 2008 to April 2008.

Honours thesis supervisor to Lindsay Sewall, September 2008 to April 2009.

Research supervisor to Kathryn Willson, January 2008 to April 2008, and Ashley Ykema, January 2009 to April 2009.

#### UNIVERSITY OF SASKATCHEWAN

Instructor, Evolutionary Psychology (Psychology 243.3), September 2002 to December 2002 and January 2003 to April 2003.

## PROFESSIONAL ACTIVITIES AND SERVICE

### EDITORIAL BOARDS

*Archives of Sexual Behavior*, 2015 to 2019

*Evolution and Human Behavior*, 2015 to 2017

*Frontiers in Psychology* (Personality and Social Psychology section), 2015 to 2020

### PEER REVIEW

Ad hoc reviewer for *The American Naturalist*, *Archives of Sexual Behavior*, *Basic and Applied Social Psychology*, *Behavioral and Brain Sciences*, *Behavioral Ecology*, *Biology Letters*, *BMC Evolutionary Biology*, *Cambridge University Press*, *Cognition*, *Evolution and Human Behavior*, *Evolution Letters*, *Evolutionary Human Sciences*, *Evolutionary Psychological Science*, *Evolutionary Psychology*, *The Higher Education Quality Council of Ontario*, *Homicide Studies*, *Human Nature*, *Journal of Comparative Family Studies*, *Journal of Evolutionary Biology*, *Journal of Evolutionary Psychology*, *Journal of Social and Personal Relationships*, *Nature Communications*, *Nature Human Behaviour*, *Personality and Individual Differences*, *PLOS ONE*, *Proceedings of the Royal Society B: Biological Sciences*, *Royal Society Open Science*, *Scientific Reports*, *Sexual Abuse*, *Social Sciences and Humanities Research Council*, *Trends in Ecology & Evolution*, and *Women's Studies International Forum*.

### COMMITTEES

Undergraduate Research Ethics Committee, Department of Interdisciplinary Studies, Lakehead University, September 2018 to 2023.

Criminology Advisory Committee, Department of Interdisciplinary Studies, Lakehead University, September 2018 to 2023.

Curriculum Review Committee, Department of Interdisciplinary Studies, Lakehead University, September 2020 to 2023.

Physical Environment Committee, Lakehead University Faculty Association, May 2021 to 2023.

Orillia Members Committee, Lakehead University Faculty Association, May 2022 to 2023.

Social Sciences and Humanities Research Council 2022 Doctoral Awards Selection Committee.

Criminology Hiring Committee, Department of Interdisciplinary Studies, Lakehead University, May 2020 to September 2020 and May 2021 to September 2021.
